

Arbequina Premium box

About product

The exceptional award winning EVOO, produced exclusively by Nobleza del Sur - the family of olive oil masters since 1640.

This premium EVOO is produced exclusively from Arbequina olives grown on the family-owned farm of Nobleza del Sur in the fertile region of Jaén, an area in Southern Spain renowned for its abundant sunshine and unique microclimate. The olives are harvested early in October and crushed at their local family mill, resulting in the oil that is wonderfully aromatic and fruity.

Bright green delicate oil with intense herbaceous and fruit aromas. Sweet fragrances like green apple, banana and green almond. Balanced bitter and spicy. In mouth it reminds the olfactory complexity and persistence over time.

Features
